Practical Body Imaging

May 20-25, 2018

Tenaya Lodge at Yosemite - Fish Camp, CA

UCSF Department of Radiology
and Biomedical Imaging
<https://radiology.ucsf.edu/cme>

Course Outline

This week long course is designed for both the general and sub-specialty radiologist and is intended to provide an update of recent advances in relevant topics in breast, abdominal, thoracic, musculoskeletal and neuro imaging.

The presentations will focus on practical methods to optimize basic and advanced cross-sectional techniques for CT, MRI, Ultrasound and plain film, as well as how to recognize and avoid potential pitfalls in interpretation. Speakers will also discuss more advanced and emerging/evolving topics and technologies including multi-modality imaging of the breast, abdominal imaging techniques, and interventional procedures.

Daily sessions will conclude with questions and discussion between attendees and faculty.

Self-Assessment

This course will offer 25 Self-Assessment credits (pending approval and subject to change): 3.25 in Breast, 4.25 in Gastrointestinal, 3.0 in Genitourinary, 2.5 in Interventional, 2.25 in Musculoskeletal, 2.25 in Neuro, and 7.5 in Thoracic.

As of January 1, 2013, updated MOC Part 2 requirements: 75 CME credits every three years, at least 25 of which must be self-assessment activities (SA-CME, which includes SAMs). For more information: www.theabr.org/moc-dr-comp2

Course Objectives

At the completion of this course, the attendee should be able to:

1. Discuss the diagnostic approach to the incidental pulmonary nodule;
2. Understand the LI-RADS classification and significance for treatment of HCC;
3. Recognize spectrum of findings in the abdomen after ablation procedures;
4. Review the normal appearance of the larynx and nasopharynx;
5. Recognize normal anatomy and common pathological conditions in the shoulder, knee, and wrist;
6. Improve understanding of expected postoperative findings in the abdomen after commonly performed GI surgeries;
7. Apply recent advances in Breast MRI and understand the proper application of the BI-RADS lexicon to MR.

UCSF Faculty

Emily M. Webb, MD

Course Chair

Professor of Radiology

Miles B. Conrad, MD, MPH

Associate Professor of Radiology

Rita I. Freimanis, MD

Professor of Radiology

Travis S. Henry, MD

Associate Professor of Radiology

Priyanka Jha, MBBS

Assistant Professor of Radiology

Kimberly G. Kallianos, MD

Assistant Professor of Radiology

Jared Narvid, MD

Assistant Professor of Radiology

Ramya Srinivasan, MD

Assistant Professor of Radiology

W. Richard Webb, MD

Professor Emeritus of Radiology

Registration

<https://cme.ucsf.edu>

Pre-registration is encouraged to ensure your space in this course.

Pre-register by March 23, 2018 and save \$75 on your enrollment fee.

Tuition \$ 1,195 for all medical professionals; registration discounts are available for qualifying attendees, please review the registration form on the last page.

On-site Registration

Sunday, May 20 at 7:00 am
Tenaya Lodge at Yosemite

Syllabus An electronic syllabus and paper notebook will be provided onsite. You must provide an email address with your registration to receive advance syllabus information, which will be distributed electronically.

Practical Body Imaging

May 20-25, 2018

Sunday, May 20, 2018

7:00 am	Registration and Continental Breakfast	
7:30	Imaging Update: Appendicitis	Emily M. Webb, MD
8:00	Pulmonary Embolism	Travis S. Henry, MD
8:45	Solitary Liver Masses: Problem Solving with CT/MR	Emily M. Webb, MD
9:30	Recess	
9:45	Acute Aortic Syndromes	Travis S. Henry, MD
10:30	Making Management of Simple Ovarian Cysts Simple Again:	Priyanka Jha, MD
	Review of SRU/ACOG Guidelines	
11:15	Everything You Need to Know About the Spleen	Emily M. Webb, MD
12:00 pm	Sound Diagnosis: Pitfalls of Abdominal Ultrasound	Priyanka Jha, MD
12:45	Questions & Discussion	
1:00	Adjourn	

Monday, May 21, 2018

7:00 am	Continental Breakfast	
7:30	Atypical Pancreatic Masses	Emily M. Webb, MD
8:15	Cardiac Findings on Routine Chest CT	Travis S. Henry, MD
9:00	Current Trends in the Multidisciplinary Approach to Breast Cancer	Rita I. Freimanis, MD
9:45	Recess	
10:00	Imaging Cervical Cancer: What the Surgeon Wants to Know	Priyanka Jha, MD
10:45	An Organized Approach to Diagnostic Mammography.....	Rita I. Freimanis, MD
11:30	Non-Obstetric CT/MRI in Pregnancy:	Priyanka Jha, MD
	When and How to Do It and What to Expect	
12:15 pm	Multimodality Breast Case Review	Rita I. Freimanis, MD
12:45	Questions & Discussion	
1:00	Adjourn	

Tuesday, May 22, 2018

7:00 am	Continental Breakfast	
7:30	Primary Retroperitoneal Masses: an Approach to Diagnosis	Emily M. Webb, MD
8:15	More Than Malignancy: Mimics of Lung Cancer	Kimberly G. Kallianos, MD
9:00	HRCT of the Lung - Part 1	W. Richard Webb, MD
9:45	Recess	
10:00	HRCT of the Lung - Part 2.....	W. Richard Webb, MD
10:45	Pulmonary Infections	Kimberly G. Kallianos, MD
11:30	Imaging Update on CT Colonography	Priyanka Jha, MD
12:15 pm	Brain Infection.....	Jared Narvid, MD
12:45	Questions & Discussion	
1:00	Adjourn	

Wednesday, May 23, 2018

No formal course program

Practical Body Imaging

May 20-25, 2018

Thursday, May 24, 2018

7:00 am	Continental Breakfast	
7:30	Spine infection	Jared Narvid, MD
8:00	Knee Menisci: Tears and Pseudo-tears	Ramya Srinivasan, MD
8:25	ACL Tears and Associated Injuries	Ramya Srinivasan, MD
8:45	Thoracentesis, Paracentesis, Central Venous Access:	Miles B. Conrad, MD, MPH
	Pearls, Pitfalls and Disasters	
9:45	Recess	
10:00	Imaging of the Pleura	Travis S. Henry, MD
10:45	The Symptomatic Breast	Rita I. Freimanis, MD
11:30	Imaging of the Mediastinum	Travis S. Henry, MD
12:15 pm	Multimodality Breast Case Review	Rita I. Freimanis, MD
12:45	Questions & Discussion	
1:00	Adjourn	

Friday, May 25, 2018

7:00 am	Continental Breakfast	
7:30	Post-Treatment Chest	Kimberly G. Kallianos, MD
8:15	Rotator Cuff: Pearls and Pitfalls	Ramya Srinivasan, MD
9:00	Intracranial Hemorrhage	Jared Narvid, MD
9:30	Recess	
9:45	Skeletal Trauma: Commonly Missed Injuries	Ramya Srinivasan, MD
10:30	Trauma Interventions Update: What All Radiologists Need to Know	Miles B. Conrad, MD, MPH
11:15	Cerebral Perfusion	Jared Narvid, MD
12:00 pm	Difficult Biopsies and Drainage Procedures	Miles B. Conrad, MD, MPH
12:45	Questions & Discussion	
1:00	Adjourn	

All lectures will include Self-Assessment (SAM) questions.

Accreditation

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of **26.25 AMA PRA Category 1 Credits™**

Physicians should claim only the credits commensurate with the extent of their participation in the activity.

The total credits are inclusive of 12.0 in CT, 5.75 in MR, 2.75 in Ultrasound, and 3.25 in Breast Imaging.

This educational activity meets the requirement under California State Assembly Bill 1195, continuing education and cultural and linguistic competency.

Practical Body Imaging

May 20-25, 2018

Tenaya Lodge at Yosemite - Fish Camp, CA

Accommodations

Tenaya Lodge at Yosemite
Tel: 800-635-5807 *2 or 559-683-6555
1122 Highway 41, Fish Camp, California 93623

Reserve online www.tenayalodge.com with group code: 3179GM
Room rate: \$255 (single/double)
Reservation Deadline: April 18, 2018

Set on 48 acres bordering the Sierra National Forest and just five minutes from the south entrance of Yosemite National Park, Tenaya Lodge is the perfect setting to explore and relax among nature's grandeur and beauty. With indoor and outdoor pools, a full-service spa, fitness center and restaurants, the mile-high Tenaya Lodge is the ideal home-base for discovering the majesty of the mountains.

A block of rooms has been reserved at Tenaya Lodge for this conference at a special group rate as listed above. You may make your reservation by calling the numbers listed above, or online using the above website and group code. Room requests made after the reservations deadline will be honored at the conference room rate on a space-available basis.

Please be aware that room availability on Friday and Saturday nights before and after the meeting (Memorial Day weekend) is very limited, so be sure to make your reservations early. Canine-companion rooms available upon request, \$100 per stay for up to two dogs (limited availability, pets cannot be left unattended). Parking is complimentary and resort fee is included in the conference rate.

The Ascent Spa 559-692-8954 is offering a complimentary embellishment (\$15 value) booked prior to arrival for UCSF attendees and their guests.

A credit card is required for confirmation, and you will be charged an advance one-nights' deposit when making your reservation. Room rates are subject to 11% state/county taxes; \$1 charge per-night, per-room for the Yosemite Conservancy fund, and \$0.75 per night for California Tourism Assessment. Cancellation requests must be made at least 7 days prior to scheduled arrival to receive a full refund; all reductions to a guest's length of stay must be received 48 hours or more prior to arrival. If a reduction in room nights is made within 48 hours of arrival, the guest will be required to pay for the full original length of stay. All early departures, no shows, and late arrivals will be charged the contracted nightly rate for each night the reserved room is not occupied by the individual. In addition to the nightly room-rate, registrants are liable for any hotel taxes, fees, portorage, gratuities and applicable guestroom charges upon check-out.

Leisure Activities

Tel: 877-247-9241

www.tenayalodge.com/activity-planner

Half-day course sessions and a full-day off on Wednesday provide ample opportunity for registrants and their families to enjoy all the region has to offer. Tenaya Lodge makes any time family time with a host of activities for families of all ages. For many, the first trip to Yosemite is a Western rite of passage, and Tenaya Lodge offers activities that truly enhance the Yosemite experience.

www.tenayalodge.com/things-to-do/resort/kids-adventure-club

Children's programs are available for ages 5-12 years. The Sierra Adventure Club is a morning program available from 10 am – 1 pm for \$55 per child (includes lunch). The Kids Camp is an evening program available from 5:30–9:30 pm for \$65 per child including dinner. Personalized childcare service also available (advance reservations required, based on availability).

Optional Tours

- Morning-Nature, Waterfall and Evening Flashlight Hikes
- Horseback Riding through the Sierras
- Fly Fishing (and individual rentals), Hook-a-Lunker at Bass Lake, Leisure and White-Water Rafting on the Merced River
- Yosemite Sugar Pine Railroad, Hitch-a-Ride on the Jenny Railcars, Moonlight Special Train ride
- Rock Climbing - full and half-day trips for novices and veterans at Yosemite Valley
- Watersports Equipment Rentals at nearby Bass Lake
- Spa Treatments at the Ascent Spa (Complimentary embellishment (\$15 value), with spa service booked with 72-hour notice)
- Golf at local 9-hole courses

Practical Body Imaging

Air Travel https://radiology.ucsf.edu/cme/sf_travel

UCSF Radiology has negotiated discounted fares with Delta and United Airlines for radiology course attendees. You may use the following tour codes to book online or by phone (add'l fee via phone):

Delta <https://tinyurl.com/www-delta-com-book>
code: NMQDC 800-328-1111

United <https://tinyurl.com/www-united-com-book>
code: ZYUF559912 800-426-1122

Flights can be arranged to either San Francisco (SFO) or Oakland (OAK) airports.

SFO: www.flysfo.com OAK: www.oaklandairport.com

Car Rental www.hertz.com

Toll-free: 800-654-2240 / CV# 01SY0262

Arrangements have been made with Hertz Car Rental for special rates during this UCSF meeting, as well as one week before and after this meeting. Call the Hertz Convention Desk at the number above, and be sure to tell the agent the meeting name and CV number listed above.

Driving Directions: www.tenyalodge.com/yosemite-lodging/map

Drive-times:

- From San Francisco / Bay Area (west) is approximately 4 hours
- From the Fresno Airport (south) is approximately 1 hour
- From the Los Angeles area (south) is approximately 5 hours

For the best road and traffic conditions, it is recommended that you travel to the Tenaya Lodge via the junction of Routes 41 and 49 at Oakhurst, regardless from which airport / direction you are driving.

Yosemite National Park

www.yosemitenationalpark.com or www.nps.gov/yose

Yosemite National Park is a significant part of California's history, as well as a pivotal factor in the national parks movement. Home to four-thousand years of Native American cultural heritage, Yosemite has become a world heritage site, and has inspired the formation of the Sierra Club, which plays an important role in wildlife conservation and biological diversity preservation.

The Park embraces almost 1,200 square miles of scenic wild lands of the central Sierra Nevada range, from 2,000 to 13,000 feet above sea level. Highlights of Yosemite include the Tioga Road (a restored miner's mountain pass), Tuolumne Meadows, Yosemite Valley and Merced Canyon, Yosemite and Bridalveil Falls, and El Capitan and Half-Dome granite cliffs (including the largest exposed granite monolith and the greatest concentration of granite domes in the world).

Both Tenaya Lodge and Yosemite National Park offer a variety of activities and tours to give the visitor every opportunity to enjoy the Park's natural beauty and grandeur.

Yosemite Sightseeing Tour

www.tenyalodge.com / 877-247-9241

Make your visit to Yosemite National Park both unforgettable and relaxing with a Yosemite Tour. This full-day bus tour is narrated by expert local guides, and will transport you through the phenomenal grandeur of this national treasure -- see the Park highlights and let someone else do the planning and driving for you.
