UCSF Interventional Radiology Review

September 23–27, 2019 / UCSF Medical Center, San Francisco

This comprehensive review course is designed to cover all pertinent topics relevant to the practice of Interventional Radiology. Attendees will review fundamentals and basics of IR, as well as learn about new and emerging technologies, such as cutting-edge vascular interventions and complex interventional oncology techniques. Course content will include a mix of didactic lectures, case-based reviews, and hands-on workshops to improve the attendee's working knowledge of current devices.

The course is suitable for practicing interventional radiologists who want to refresh and enhance their skills, as well as for interventionalists who look to prepare for the IR Certifying Oral Exam.

Highlights include: clinically relevant procedures and case-based sessions on peripheral artery disease diagnosis and management, highly-focused sessions on organs and disease pathologies, and in-depth discussions on the latest developments for innovative technologies.

There will be multiple opportunities for informal discussions between faculty and attendees.

At the completion of this course, the attendee will be able to:

1. Improve technique in arterial and venous interventions;
2. Understand the scope of interventional oncology procedures;
3. Describe indications and recommend techniques for gastrointestinal and genitourinary tract interventions;
4. Know the benefits and limitations in selecting IR devices (balloons, stents, catheters, etc);
5. Correctly interpret CT, MR and US non-invasive vascular images;
6. Understand the scope of Neurointerventional and Musculoskeletal interventions;
7. Identify potential pitfalls and safety issues associated with IR procedures in order to minimize complications.

Registration

Pre-registration is required as enrollment in this course is limited to 30 registrants.
Tuition: \$2,000.

Online: <https://radiology.ucsf.edu/cme/upcoming>

Phone: using Visa, Amex or Mastercard. Call 415-476-5808, 8 am-4 pm (Pacific Time)

Fax: the registration form to 415-502-1795.

Accreditation

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of 33.5 *AMA PRA Category 1 Credits™*.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This educational activity meets the requirement under California State Assembly Bill 1195, continuing education and cultural and linguistic competency.

The course will also include 27.0 SAM credits (pending approval).

UCSF Medical Center: Kalmanovitz Library

530 Parnassus Ave, Fifth Floor, Lange Room

www.ucsfhealth.org/maps_and_directions

The UCSF Medical Center on Parnassus Avenue is the central site for the UCSF Hospital system, located just south of Golden Gate Park.

Public Transportation SF City bus/railway info: www.sfmta.com

The N-Judah streetcar can be boarded at any of the four downtown Market Street underground BART/MUNI stations. The ride to the UCSF parking garage is about 20 minutes, and costs \$2.75 one-way; retain your transfer as proof of payment to avoid fines. Weeklong passes can be purchased at the Powell Tourist Station at Market Street. Individual tickets can be bought at any of the four underground Market Street stations.

Driving & Parking

www.ucsfhealth.org/maps_and_directions/parking

Both garages can be accessed from either Parnassus Ave or Irving Street (rates and hours as of April 2019, subject to change):

- 500 Parnassus Garage (shown on map): \$4 per hour, daily max \$32. Open 24 hours.

Accommodations

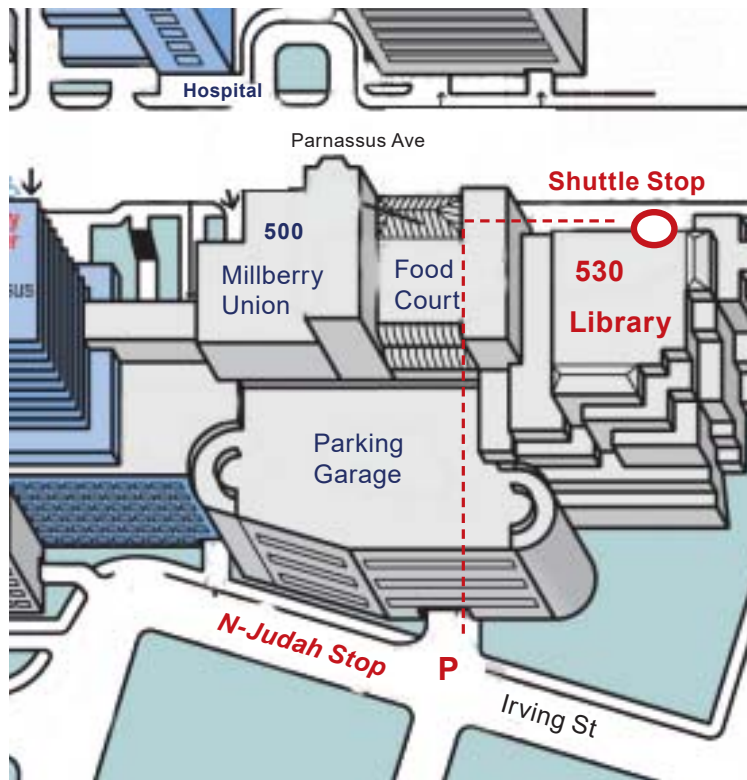

<https://radiology.ucsf.edu/cme/ucsf-interventional-review-2019-sanfrancisco>

For a listing of hotels and rates in the **Union Square / downtown area**, visit the course webpage link above.

Additional Options can be found on the Short-Term Lodging Guide:

https://campuslifeservices.ucsf.edu/housing/services/short_term_lodging_needs

The Laurel Inn (#16) is in a nice neighborhood near Pacific Heights and across the street from the UCSF intra-campus shuttle stop at the UCSF Laurel Heights building.

Airline Discounts https://radiology.ucsf.edu/cme/sf_travel

UCSF Radiology has negotiated special discounts with United and Delta Airlines for radiology course attendees. You may use the following tour codes to book on your own:

Airline	Website	Promo Code
Delta	https://tinyurl.com/www-united-com-book	NMS6F
United	https://tinyurl.com/www-delta-com-book	ZFKT721044

Flights can be arranged through either San Francisco (SFO) or Oakland (OAK) airports. BART subway service, shuttle vans and taxis are available from both airports to downtown San Francisco.

SFO: www.flysfo.com
BART: www.bart.gov

OAK: www.oaklandairport.com
SF MUNI: www.sfmta.com

REGISTRATION

INTERVENTIONAL RADIOLOGY REVIEW (RAD20 009)

September 23-27, 2019 / UCSF Medical Center – San Francisco, California

Pre-registration is required for this course: Four easy ways to register:

1. Online at <https://meded.ucsf.edu/cme/calendar>
2. Fax to 415-502-1795
3. Phone using Visa, Amex or Mastercard. Tel 415-476-5808, 8 am-4 pm (Pacific Time)
4. Mail to UCSF Office of CME, 3333 California St - Rm 450, SF CA 94118

REGISTRANT INFORMATION (please print)
