## Course Overview

This five-day course, featuring the breadth and depth of UCSF Radiology is designed for practicing radiologists in the community, and covers fundamentals and pitfalls of state-of-the-art imaging, as well as hot-topics in short, focused sessions.

Lecture topics will present a thorough review of abdominal, musculoskeletal, neuro, pulmonary and breast imaging for the general radiologist; as well as commonly interventional procedures. Course content will focus on appropriate imaging technique and utilization, as well as standard protocols.

*At the completion of the course, the attendee should be able:*

1. Select guidelines and protocols for cancer imaging, with focus on breast, lung, endometrium and cervix;
2. Recommend up-to-date imaging approaches to trauma and emergency conditions and masses of the brain, orbits and spine;
3. Recognize imaging pearls and pitfalls in joint injuries of the shoulder, elbow, knee and ankle, as well as utilize musculoskeletal ultrasound;
4. Identify fundamentals and criteria for imaging of the acute abdomen, including pregnant women;
5. Implement updated guidelines for imaging of abdominal trauma, infections and inflammatory bowel disease.

## Self-Assessment (SAM)

This course will offer 25 Self-Assessment credits (pending approval and subject to change):

5.25 in Abdominal, 3.0 in Breast, 2.25 in Interventional, 6.0 in Musculoskeletal, 5.5 in Neuro and 3.0 in Thoracic.

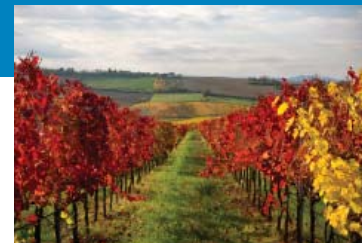

As of January 1, 2013, updated MOC Part 2 requirements: 75 CME credits every three years, at least 25 of which must be self-assessment activities. For more information: [www.theabr.org/moc-dr-comp2](http://www.theabr.org/moc-dr-comp2)

Silverado Resort and Spa is a luxury resort in the heart of the world-famous Napa Valley Wine Country! Whether you come to the Northern California area for relaxation, adventure or business, find it here. Located just an hour north of San Francisco, it's a short drive from the city while still being near all that the Bay Area has to offer.

The full-service spa sets the stage for relaxing comfort, offering massages, facials, manicures, pedicures and more. Two PGA championship golf courses, which are overseen by resort co-owner Johnny Miller (World Golf Hall of Fame member and lead golf analyst for NBC Sports), thirteen lighted tennis courts, and biking & hiking trails on-site, ensure a rewarding stay at every turn.

Thanks to its Napa Valley Wine Country location, the Resort is near all of the regional wineries. The fine and casual dining within the resort's restaurants pair nicely with local wines. The elegant styling and picturesque Northern California views makes it one of the most sought after wedding venue destinations. It's all designed to ensure the perfect Napa Valley Wine Country stay for any and all visitors.

## Napa Valley [www.napavalley.org](http://www.napavalley.org)

The Napa Valley is centrally located in the inland area just east of the coastal region. Located along Highway 29 (St Helena Hwy) traveling north from downtown Napa are the towns of Yountville, St Helena and Calistoga, each of which are home to several wineries, as well as a wonderful mix of crafts shops, restaurants, destination spas, farmers markets, shopping, golf and other recreational activities. The Silverado Resort is located just six miles northeast of downtown Napa, near the south end of the Route 29 wine trail, and only 20 miles east of downtown Sonoma – making it ideally located for excursions throughout wine country and the north bay area.

## Downtown Napa [www.donapa.com](http://www.donapa.com)

The city of Napa, founded in 1847, was originally settled due to its strategic location for travel and commerce along the inland river route. The historic Napa Mill is the home for the Napa General Store, as well as a collection of unique restaurants, shops and a day spa. Artisan shops offer locally grown foods including olive oils, jams, tapenades and mustards. There several tasting rooms all within walking distance.

Cultural venues include the Napa Valley Opera House and art-deco Uptown Theatre, which are home to live music, theatre, comedy and jazz. The downtown area includes a number of upscale galleries including the Di Rosa and the Hess Collection. The Fireman's Museum, Scientopia and Rockzilla will keep kids of all ages busy.

There are three scenic parks which provide endless opportunities for hiking and taking photos. With the temperate weather and fall colors, bicycle rentals at this time of year are particularly rewarding.

The downtown area is also the starting point for the popular Napa Valley Wine Train, which allows one to relax and take in all the sights and scenic beauty without having to keep your eyes on the road.

## Car Rental [www.hertz.com](http://www.hertz.com)

Toll-free: 800-654-2240 / CV# 01SY0265

Arrangements have been made with Hertz Car Rental for special rates during this UCSF meeting, as well as one week before and after this meeting. Call the Hertz Convention Desk at the number above, and be sure to tell the agent the meeting name and CV number listed above.

The Silverado is 60 miles from SFO and 55 miles from OAK. Detailed driving directions can be obtained from the hotel website or by contacting the hotel directly.

Motor coach service is available from both SFO and OAK airports.
