Imaging Warm Up in Los Cabos

OVERVIEW

The Department of Radiology at the University of California, San Francisco invites you to attend the **Imaging Warm Up in Los Cabos** course on **December 8-13, 2024**. The course will take place at the Dreams Los Cabos, an all-inclusive resort. Registrants securing accommodations in the course room block will receive a \$500 discount off of the standard registration fees. As all meals are provided at Dreams Los Cabos, there will only be coffee service provided at the course.

The course is designed for radiologists in clinical practice and is intended to provide an overview of common clinical concerns in diagnosis. Lectures will focus on practical tips, pointers, and recognition of potential pitfalls that will aid the radiologist in the safe interpretation of images in the daily setting.

Subspecialties covered will include cutting-edge topics in neuro, musculoskeletal, women's, and pediatric imaging as well as what is new on the horizon.

Presentations will review indications that are commonly seen in general practice. The esteemed faculty will address updates to improve image acquisition and interpretation strategies with the goal of improving communication when referring cases to clinical and academic specialists.

OBJECTIVES

An attendee completing this course will be able to:

- Select imaging approaches for oncology patients, as well as patients with a wide variety of liver, lung, and musculoskeletal symptoms
- Identify indications to screen for cancer, including lung and breast cancer
- Recognize common imaging pitfalls, including imaging after loco-regional therapies, patients with suspected pulmonary embolism, and patients being screened for breast cancer
- Apply knowledge of the strengths and weakness of imaging with PET/CT
- Implement utilization of diagnostic musculoskeletal ultrasound, ultrasound-guided musculoskeletal procedures, and common joint injections
- Identify important imaging characteristics of infection, bone, and soft-tissue tumors
- Identify the normal imaging appearance of the neonatal brain and spine, and the appearance of acquired and congenital abnormalities

ACCREDITATION

In support of improving patient care, the University of California, San Francisco is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians

UCSF designates this live activity for a maximum of **25.00 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the live activity.

Nurses

For the purpose of recertification, the American Nurses Credentialing Center accepts **AMA PRA Category 1 Credit™** issued by organizations accredited by the ACCME.

Physician Assistants

AAPA accepts category 1 credit from AOACCME, Prescribed credit from AAFP, and AMA category 1 credit™ for the PRA for organizations accredited by the ACCME.

CONFERENCE LOCATION

This is our first foray into an all-inclusive resort setting so reservations and cancellation deadlines are farther out than in a traditional hotel setting. Our hope is that the amenities provided with the all-inclusive model outweigh these tighter restrictions.

Located at the western edge of Mexico's Baja California Sur where the Sea of Cortez meets the Pacific Ocean, Los Cabos encompasses the towns of Cabo San Lucas and San Juan del Cabo. Cabo San Lucas is popular for just about any type of

CONFERENCE LOCATION (CONT'D)

watersport including kayaking, fishing, scuba, and watercrafts. San Juan del Cabo is a charming colonial town featuring a main plaza with warm architecture and an Art District where you can find art from all over the world, but mainly Mexican traditional art and local creations, which makes it a great place for shopping and dining.

Set along the corridor between the two towns along the shimmering Sea of Cortez, **Dreams@ Los Cabos Suites Golf Resort and Spa** is a AAA Four Diamond resort that captures the beauty and elegance of traditional, colonial Mexican design. A member of the World of Hyatt® Hotels, the resort features 272 stunning suites with private balconies featuring breathtaking views. With eight dining experiences to choose from, including four à la carte restaurants, a buffet, a grill, and a café, there is something for everyone. You can enjoy a favorite cocktail at one of seven bars located on the resort or take advantage of 24-hour room service. It's all available at any hour day or night.

A block of guestrooms has been reserved at the following special UCSF conference rates:

\$518/night double occupancy

\$455/night single occupancy

You are urged to make your reservations early using group code: **UCSF1224** to receive the UCSF rates and the **\$500** registration discount. The cut-off date is **August 9, 2024**, or until the group room block is filled. After this date, rooms will be provided on a space-available basis only.

You may make hotel reservations on-line by visiting the course webpage on our website at <https://cme.ucsf.edu>

Please click on the reservations link for a direct link to online reservations. Please make sure to review the hotel's cancellation policies that begin at 121 days prior to arrival.

By staying at the host hotel, you help UCSF meet its contractual obligations and keep registration fees reasonable. Please take this into consideration when making your accommodation decisions.
