Breast Imaging
on the Big Island of Hawaii

OVERVIEW

This breast imaging course is designed for both the clinical radiologist who specializes in breast imaging and the radiologist who has general diagnostic clinical duties. A practical approach will be emphasized, providing an overview and update on clinically relevant topics in breast imaging. The course will highlight recent developments, with a strong focus on the use of multimodality imaging and intervention (mammography, ultrasound and MRI), as well as the growing use of tomosynthesis and contrast-enhanced mammography.

Course content will include didactic lectures, challenging cases sessions, and end-of-morning faculty panels for questions and discussion. Faculty will also highlight changes to the BI-RADS system, relevant to the recent release of the 6th Edition updates.

There will be three informal “Brainstorming at Breakfast” sessions, during which one of the speakers will moderate attendee discussion regarding workplace practices. Registrants will also have the opportunity for an optional workstation preview of Dr. Sickles’ 20 Challenging Cases from Sunday through Wednesday; so they may compare their preliminary findings when Dr. Sickles reviews the cases during the Thursday sessions.

OBJECTIVES

The purpose of this course is to increase competence and improve clinician practice in radiology. We specifically anticipate improvements in skills and strategies to:

- Apply and utilize BI-RADS categories as appropriate, and be aware of changes and updates in the upcoming 6th edition
- Develop a skillful and practical approach to performing and interpreting mammography and breast US
- Understand and implement the growing use of MRI in the clinical setting
- Understand and adopt the current use of tomosynthesis and contrast-enhanced-mammography in breast imaging.

ACCREDITATION

In support of improving patient care, the University of California, San Francisco is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation:
CME - UCSF has approved this program for CME credit: UCSF designates this live activity a maximum of **25.00** *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Modality Credits
The total credits are inclusive of **8.00** in MR, **5.50** in US, **8.00** in Digital Mammography, **3.00** in Stereotactic Biopsy, and **8.00** in Tomosynthesis.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Nurses
For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit*™ issued by organizations accredited by the ACCME.

Physician Assistants
AAPA accepts category 1 credit from AOACCME, Prescribed credit from AAFP, and AMA category 1 credit™ for the PRA for organizations accredited by the ACCME.

CONFERENCE LOCATION

The Big Island is the birthplace of King Kamehameha 1, the leader who united all of the Hawaiian Islands by 1810 and is the anchor of the island chain. The home of Madame Pele, the fire goddess of volcanoes, the Big Island of Hawaii is the largest and youngest island in the Hawaiian chain, and it is still growing with the current volcanic activity. Hawaii's varying and dramatic climate zones generate a world of environments on one island, including lush rain forests, volcanic deserts, snow-capped mountaintops, and beautiful black sand beaches.

Located on the sunny and dry west side of the island along the beautiful Kohala Coast, the AAA Four Diamond **Fairmont Orchid** offers a luxury oasis where the aloha spirit comes alive. Nestled along 32 oceanfront acres, guests can explore world-class beaches, underwater marine life in a private bay, or lounge under palm trees by the spacious pool. With its exceptional resort amenities, including the open-air Spa Without Walls, oceanfront fine dining, and unique Hawaiian cultural experiences, Fairmont Orchid is among the best luxury resorts in the Hawaiian islands.

A block of guestrooms has been reserved at special UCSF conference rates:

$525 Garden View
$578 Partial Ocean View
$600 Ocean View
$949 1-Bed Ocean View Suite
$1161 1-Bed Ocean Front Suite

+ $30 discounted nightly resort fee

*Room Rates shown do not include room tax, resort fee and gratuities You are urged to make your reservations early. The cut-off date is **Thursday, January 8, 2026**, or until the group room block is filled. After this date, rooms will be provided on a space-available basis only.
