Breast Imaging Update
March 6–11, 2022
The Fairmont Orchid - Big Island of Hawaii

Course Program  page 1 of 2

SUNDAY  March 6, 2022
6:45 am  Registration and Breakfast
7:15  An Organized Approach to Interpreting Screening .................................Edward A. Sickles, MD
Mammography Examinations
8:00  Basics of Breast Ultrasound.....................................................................Jessica H. Hayward, MD
8:45  Mammographic Analysis of Breast Calcifications ..................................Edward A. Sickles, MD
9:30  Recess
9:45  Intro to Digital Breast Tomosynthesis (DBT) ...........................................Kimberly M. Ray, MD
10:30  Breast MRI BI-RADS: Challenging and Confusing Scenarios .............Bonnie N. Joe, MD, PhD
11:15  How We Can Improve Upon Routine Breast MRI ..............................Maxine S. Jochelson, MD
12:00 pm  Questions & Discussion ....................................................................Faculty Panel
12:30  Adjourn

MONDAY  March 7, 2022
6:45 am  Breakfast
7:15  The Medical Audit: Screening and Diagnostic ......................................Edward A. Sickles, MD
Mammography Examinations
8:00  DBT Technical Tips & Artifacts (Including Biopsy and Localization) ........Kimberly M. Ray, MD
8:45  Breast MR Biopsy: From Basics to Tips & Tricks .................................Bonnie N. Joe, MD, PhD
9:30  Recess
9:45  Breast MRI Case-based Review ...............................................................Kimberly M. Ray, MD
10:30  Near Miss Mammography Cases ............................................................Jessica H. Hayward, MD
11:15  Mammographic Follow-up as an Alternative to Biopsy .......................Edward A. Sickles, MD
12:00 pm  Questions & Discussion ....................................................................Faculty Panel
12:30  Adjourn

Accreditation

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of 25.25 AMA PRA Category 1 Credits.™
Physicians should claim only the credit commensurate with the extent of their participation in the activity.
The total credits are inclusive of 9.5 in MR, 3.5 in US, 8.0 in Digital Mammography, 3.0 in Stereotactic Biopsy, and 3.75 in Tomosynthesis. Registrants will review 20 mammography cases.

This educational activity meets the requirement under California State Assembly Bill 1195, continuing education and cultural and linguistic competency.

All 45-minute didactic lectures will include Self-Assessment Questions (SAMs); faculty panels and workshop sessions will not.
Breast Imaging Update  
March 6–11, 2022  
The Fairmont Orchid - Big Island of Hawaii

Course Program  page 2 of 2

TUESDAY  March 8, 2022
6:45 am  Breakfast
7:15  Breast Cancer: Molecular Subtypes and Imaging Features .......................Kimberly M. Ray, MD
8:00  Evaluation of the Axilla ...............................................................Jessica H. Hayward, MD
8:45  Optimizing Image Quality: Tips for Troubleshooting .................................Bonnie N. Joe, MD, PhD
9:30  Recess
9:45  Breast MRI in the Neoadjuvant Setting ..................................................Maxine S. Jochelson, MD
10:30  Interactive Breast MRI Case Review: Is it BPE or NME? ......................Bonnie N. Joe, MD, PhD
11:15  Vascular Breast Imaging: MRI vs CEDM ..............................................Maxine S. Jochelson, MD
12:00 pm  Questions & Discussion ................................................................Faculty Panel
12:30  Adjourn

Wednesday  March 9, 2022
No formal course program.

THURSDAY  March 10, 2022
6:45 am  Breakfast
7:15  Screening Mammography: Ages 40-49 ...............................................Kimberly M. Ray, MD
8:00  Talking to Patients ............................................................................Jessica H. Hayward, MD
8:45  Breast MRI and Diffusion Weighted Imaging: How Can We Use It? ...Bonnie N. Joe, MD, PhD
9:30  Recess
9:45  Challenging Cases - Parallel Workshop Session 1* ..............................Dr Jochelson, Dr. Sickles
11:15  Recess
11:30  Challenging Cases - Parallel Workshop Session 2* ..............................Dr Jochelson, Dr. Sickles
1:00 pm  Adjourn

*Workshop Sessions  Registrants will be divided into two groups, and both groups will attend both workshops. Dr. Sickles’ workshop is based on 20 “unknown” cases that will be displayed on digital workstations. Registrants should plan an adequate block of time to preview these cases prior to attending his workshop (cases will be available for viewing starting at 8 am on Sunday).

Challenging Cases: Digital Mammography ..................................Edward A. Sickles, MD

FRIDAY  March 11, 2022
6:45 am  Breakfast
7:15  Metastatic Breast Cancer: Use of Molecular Imaging .....................Maxine S. Jochelson, MD
8:00  MRI Safety Update ...........................................................................Bonnie N. Joe, MD, PhD
8:45  Potential Malpractice Scenarios: Case-based Review .........................Edward A. Sickles, MD
9:30  Recess
9:45  AI for Breast Imaging and Risk ......................................................Maxine S. Jochelson, MD
10:30  Multimodality Case Review ...............................................................Kimberly M. Ray, MD
11:15  Transgender Breast Imaging ..............................................................Jessica H. Hayward, MD
12:00 pm  Questions & Discussion ..............................................................Faculty Panel
12:30  Adjourn
