Aloha from Grand Hyatt Kauai Resort & Spa. We are honored you chose to stay with us on the beautiful island of Kauai. We hope that you are able to relax and enjoy all of the resort amenities by day, from cultural activities to lounging poolside to spa treatments and by night find the entertainment and dining to your taste. Please make our resort your home away from home.

Again, mahalo for choosing to share your time us, your Grand Hyatt *ohana* (family). We are committed to providing you with outstanding service and look forward to your return.

Dan King, General Manager

### GETTING HERE

All major rental car companies are located at the airport. Avis has a desk at the resort, if you wish to book for only the days you plan to get out to explore the island. Taxis and ride-share programs are available for transport to/from the airport as well as around the island. For your convenience, we also offer a nightly shuttle to nearby shops and restaurants.

Self-parking is included in the resort fee. Valet Service is available for \$30 per night.

To reduce waste, guestrooms offer refillable water bottles and you will find filtered water stations throughout the resort. This program eliminates more than 600,000 single use plastic bottles annually! Additionally, you will find antibacterial hand sanitizer dispensers throughout the resort as well.
